Report of the Local Audit Department for the year ending the 31st March 1939.

RESOLUTION

1. **Constitution.**—The number of district councils and local boards remained unchanged.

2. **Elections.**—During the year general elections were held in the Seoni sub-division, in the Jubbulpore, Bilaspur, Balaghat and Bhandara districts and in all the Berar districts but no district council could be fully constituted. The elections to Mandla, Narsinghpur, Hoshangabad, Drug and Raipur councils were due in the year under review but could not take place owing to a variety of reasons, the main reason being delay in the preparation of electoral rolls. It is remarkable that in the Berar districts and in the districts of Bilaspur and Balaghat the number of uncontested seats was large and the interest evinced by the electorate was not very keen. In the Balaghat district, only 42 per cent of the electorate attended the poll.

3. **Disposal of business.**—All the district councils except two and all the local boards except 17 held the prescribed number of meetings. The total number of meetings held was 750 [738], of which 90 [94] proved abortive. The average percentage of attendance at district council meetings decreased to 65 [69] and that of the local board meetings rose to 52 [51]. The continued absence of some members from local board meetings and the failure to initiate action under section 17 (2) of the Local Self-Government Act against such members are again commented upon by Commissioners. This question is now linked up with the general overhaul of the law regulating local self-government, for which a committee was appointed by Government after the close of the year.

4. **General financial condition.**—The year opened with a balance of Rs. 31.36 [Rs. 32.33] lakhs. The total receipts from all sources amounted to Rs. 71.56 [Rs. 72.76] lakhs and the total expenditure to Rs. 75.84 [Rs. 73.35] lakhs, leaving a closing

balance of Rs. 27.08 [Rs. 31.74] lakhs. The following table shows the net receipts and expenditure in lakhs of rupees in various departments :—

Departmental head	Income	Expenditure	Balance available for expenditure on other departments	Expenditure in excess of departmental income
(1)	(2)	(3)	(4)	(5)
General Departments ..	33·52	10·54	22·98	..
Cattle-pounds ..	4·99	2·85	2·14	..
Education ..	12·48	30·95	..	18·47
Medical ..	·44	2·19	..	1·75
Public Health ..	·10	2·37	..	2·27
Veterinary ..	·02	1·14	..	1·12
Civil Works ..	·90	6·56	..	5·66
Debts ..	19·19	19·32	..	·13
Balance ..	31·36	27·08	4·28	..
Total ..	103·00	103·00	29·40	29·40

In several district councils, *viz.*, Jubbulpore, Damoh, Narsinghpur, Raipur, Bilaspur, Drug and Balaghat, expenditure exceeded income. In Berar, owing to an indifferent harvest and consequent suspension of land revenue, collections of the district council cess—which is the main source of income—dropped considerably and receipts from other sources also declined owing to the unsatisfactory economic conditions. The Amraoti district council continues to maintain a very satisfactory financial position; the other Berar district councils must take time by the forelock and rehabilitate their financial position by a judicious combination of economies and fresh taxation.

5. **General departments.**—The income under this head decreased to Rs. 33.52 [Rs. 36.15] lakhs, while the expenditure increased to Rs. 10.54 [Rs. 9.51] lakhs. The decrease in income is explained by the subnormal harvests in the Nagpur and Berar Divisions resulting in diminished receipts from cesses and rates.

6. **Cattle-pounds.**—The number of cattle-pounds increased to 1,901 [1,889]. The income decreased to Rs. 4.99 [Rs. 5.29] lakhs and the expenditure to Rs. 2.85 [Rs. 2.99] lakhs. Inspections of cattle-pounds by office-bearers, members and staff are generally inadequate and in some district councils are not made at all. The district councils in the Jubbulpore Division would do well to emulate the example of the Chhattisgarh councils in appointing cattle-pound inspectors.

7. **Education.**—The total expenditure on education, including that on buildings, amounted to Rs. 30.95 [Rs. 30.10] lakhs, of which Rs. 12.10 [11.55] lakhs were provided directly by Government. Fees, contributions other than those from provincial revenues and miscellaneous receipts brought in Rs. .38 [.28] lakhs, while the remaining amount of Rs. 18.47 [Rs. 18.27] lakhs was met from the surplus of the general purposes grant and other sources. The total number of schools increased from 4,506 to 4,761 and the enrolment decreased from 309,697 to 308,423, while the average attendance increased from 240,667 to 241,351.

During the year Wardha, Chhindwara, Damoh and Narsinghpur district councils made efforts to introduce compulsory education but were unsuccessful owing to their inadequate finances. In Sironcha compulsion exists only in name and the independent local board would be well advised to consider the Betul system of securing good attendance through aboriginal propagandists. In Mandla, Government sanctioned 50 Bhumijan schools, out of which 40 have been opened by the district council and 10 have been entrusted to the Mission authorities. Vocational schools continue to be popular and the Nimar and Damoh councils have each introduced agricultural training in one of their schools. The Amraoti council sponsored a cheap type school scheme and has introduced agricultural training in certain vernacular middle schools. Circulating libraries were started in Nagpur, Wardha, Chhindwara and Chanda districts. Government regrets to note that some district councils such as Nagpur and Chanda continue to transfer teachers too frequently although the undesirability of doing so has been impressed upon them time and again. There is still considerable leeway to be made up in providing trained teachers. In many district councils the teaching staff is highly discontented as a result of inadequate salaries, repeated cuts, unjustifiable withholding of increments and unpunctuality in disbursement of salaries.

8. **Medical.**—The number of dispensaries increased to 83 [79] and the expenditure on medical relief increased from Rs. 2.10 to Rs. 2.19 lakhs. There was further extension of medical relief during the year by the opening of two subsidised dispensaries, one each in the Betul and Nagpur districts, by the provision of a travelling dispensary by the independent local board, Chhindwara, and by the establishment of cheap plan dispensaries at Karanjia in Mandla, Lamta in Balaghat, and Biliagarh in Raipur. The Amraoti district council introduced its own system of cheap medical aid in fifteen villages. Since the close of the year, Government has sanctioned several other cheap-plan dispensaries both in the open and in the aboriginal tracts. The schemes of opening ayurvedic and unani dispensaries and of subsidising vaids and hakims to settle in villages also met with a fair measure of success. In spite of financial stringency, Government has decided to continue these schemes, and it is hoped that district councils will not be slow to take full advantage of them. It is pleasing to note that the Drug district council has now increased the number of its ayurvedic dispensaries to four and the Bhandara council has established six more such dispensaries.

9. **Public health.**—The total expenditure on vaccination and sanitation increased slightly from Rs. 1.53 to Rs. 1.59 lakhs and Rs. .18 to .24 lakhs, respectively. The total number of vaccinations performed during the year was 445,358 [668,259]. The marked fall in the number of vaccinations is to be mainly attributed to slack supervision by the vaccination staff. With the replacement of Assistant Superintendents of Vaccination by Sub-Assistant Health Officers of the Public Health Department it is expected that there will be definite improvement in this respect. The wisdom of compulsory vaccination is gradually

being realized by district councils and during the year Jubbulpore and Mandla decided to introduce this measure. After some hesitation the Narsinghpur council, and later still the Hoshangabad council, have also agreed to introduce compulsory vaccination.

Measures for the improvement of water-supply in rural areas were taken by almost all the district councils but lack of funds hampers progress in this as in all other spheres of rural development.

10. **Veterinary.**—Veterinary receipts and expenditure amounted to Rs. 2,525 [Rs. 3,177] and Rs. 1,14,005 [Rs. 1,14,751], respectively. The number of veterinary dispensaries rose from 95 to 97. Two new dispensaries in the Drug and Yeotmal districts, one subsidised dispensary in the Raipur district and three "outlying dispensaries" in the Bhandara district were established. A veterinary compounders' training class was run at the Jubbulpore dispensary. Only a few councils incurred an expenditure on stock breeding and the results obtained from stud bulls in the Damoh and Bilaspur districts continued to be very unsatisfactory. No epidemics amongst cattle are reported.

11. **Civil works.**—Expenditure on civil works decreased to Rs. 6.56 [6.96] lakhs. The total length of provincial roads transferred to district councils for maintenance increased to 1,802 [1,796] miles. The Government grant for transferred works fell to Rs. 7,06,554 [Rs. 7,76,885] and the expenditure to Rs. 6,95,345 [Rs. 7,65,687]. It is satisfactory to note that the Wardha council spent large amounts over repair of buildings. Ten miles of the Eklehra-Damua road was completed by the Independent Mining Local Board, Chhindwara. The condition of buildings in the Jubbulpore and Saugor districts is very unsatisfactory. Several district councils have taken advantage of Government's scheme for improvement of rural communications and about half the total allotment of Rs. 1,50,000 was distributed over schemes prepared by them. There is still a large balance from the allotment of rupees one lakh earmarked for rural communications out of the Government of India grant of Rs. 6 lakhs made for rural reconstruction in 1936-37. It is hoped that district councils will prepare schemes and qualify for grants from this allotment in the current year.

12. **Markets.**—The total number of public markets and of villages to which sections 26 to 34 of the Local Self-Government Act have been applied was 831. The income from markets was Rs. 3.25 [Rs. 3.36] lakhs. In the Berar districts and in Wardha, Raipur and Bilaspur districts there was a considerable fall in receipts from markets.

13. **Legislation.**—No legislation was undertaken during the year.

14. **Taxation.**—The only new tax imposed was an additional cess in the Betul district for meeting the extra expenditure on compulsory education. Cesses were not fully recovered in the Chhindwara district, and the Jubbulpore council made no attempt to collect the arrears of the wheel tax amounting to Rs. 15,000.

15. **Staff.**—As in previous years certain district councils continue to look upon the expenditure on their staff as the most suitable field for effecting economies regardless of the fact that a well-paid and contended staff is the key to success of local self-government. Having regard to the depleted finances of many councils, Government is ready to consider reasonable and *bona fide* proposals towards retrenchment but it must make it plain that such measures as cuts in salaries and withholding of increments otherwise than for inefficiency should come last in the order of retrenchment and must be clearly demonstrated to be unavoidable. The Jubbulpore, Hoshangabad and Nimar councils continued the emergency cut and the Damoh council has not paid arrears of increments from 1929 to 1934. It is satisfactory that the Chanda council partially restored the cut it had previously imposed.

16. **Financial irregularities.**—The annual audit disclosed the same defects in accounts which have been repeatedly noticed in previous years. The Wardha council showed some improvement in its accounts, but it has still to dispose of several old audit objections. The accounts of the Raipur council were in a deplorable state and the general purposes grant of the Hoshangabad council had to be withheld until the audit objections were disposed of satisfactorily. Government takes this opportunity to repeat its conviction that no improvements in accounts is likely to be permanent unless the office-bearers themselves exercise stricter supervision and closer control.

17. **Village Panchayats.**—During the year 34 [24] new panchayats were established and 4 [7] were disestablished for reasons of internal dissensions, apathy of the local people and continued neglect of primary administrative functions. 987 village courts and benches functioned, of which 97 [99] courts and 120 [128] benches exercised enhanced powers. 13 [14] village courts exercised special powers under section 54 (1) of the Village Panchayat Act. 7,393 [7,906] civil suits and 6,798 [7,115] criminal cases were disposed of. On the whole civil and criminal powers were exercised with a due sense of responsibility. The duration of cases is still high and the basic principles of deciding cases by panchayat courts, *viz.*, justice, equity and good conscience, still remain to be imbibed by a fairly large number of panchayats.

The percentage of panchayats levying taxes continues to be the same as last year, *i.e.*, 27, but the number of panchayats doing administrative work has risen by 30 to 630 and has reached the figure of 63 per cent. The useful work done by many panchayats in combating epidemics, and especially cholera, by encouraging people to get themselves inoculated and by free distribution of medicines deserves to be mentioned. Eighteen out of 24 district councils have formed sub-committees for panchayat work and 22 district councils have now their own agencies for the audit of panchayat fund accounts and for inspection and propaganda.

18. **General remarks.**—There was no occasion for the use by Government of its powers of control. The relations between the district councils and Government officials continued to be

cordial. Government desires to record its appreciation of the work of those office-bearers and members of district councils whose names have been mentioned in the Commissioners' reviews.

ORDER.—Ordered that copies be forwarded to the Commissioners and Deputy Commissioners for information and guidance and that the report be translated and copies circulated (through Deputy Commissioners) for the information and guidance of all district council and local board members.

ORDERED also that the resolution be published in Part I of the *Central Provinces and Berar Gazette.*

By order of the Governor,
Central Provinces & Berar,

C. C. DESAI,

Secy. to Govt., C. P. & Berar,
Local Self-Government Department.
